

ABS Alaskan RPGU's

- “Remote Power Generation Units”
- Wind power unit shown
- Self-supporting mast

Prepared by Polar Field Services for:

ABS Alaskan RPGU's

- Fairly portable
- Skid-mounted
- Alaskan company
- Generator back-up
- Options available

Prepared by Polar Field Services for:

Polar Power

- Many sizes
- DC generator
- Diesel available

Prepared by Polar Field Services for:

Polar Power DC Generators

- Many engines available
- Very compact
- High efficiency
- Heat recovery available
- Designed for battery charging

Prepared by Polar Field Services for:

Schott Portable PV Systems

- Two basic sizes
- Many configurations
- Gen back-up
- Walk-in enclosure
- Options available
- Deployment?

Prepared by Polar Field Services for:

Sunwize "Power Ready System"

- Small size is DC only: 12,24,48
- Clean design
- Guyed support
- Many options

Prepared by Polar Field Services for:

Sunwize "Power Station"

- Many sizes and options available
- AC/DC power
- Generator back-up

Prepared by Polar Field Services for:

Northern Power Systems

- Diesel generator prime power
- RE back-up available
- Sophisticated controls
- Walk-in modules
- Deployment?

Prepared by Polar Field Services for:

Power Pod

- Clean design
- Many configurations
- PV tracking available
- Wind turbine option
- Manufacturer will build to spec
